

AbSoulute Beach

RADIO SYNDICATION PRESS KIT

Weekly 60-Minute Deep House Radio Show • Hosted & Mixed by DJ of 69

Show Overview

AbSoulute Beach is a weekly 60-minute electronic music radio show hosted and mixed by DJ of 69, delivering a carefully selected journey through Deep House, Melodic Deep House, Organic House and Balearic sounds.

Inspired by the unmistakable spirit of Ibiza, the show combines sophisticated electronic music with the feeling of endless summer days, Mediterranean sunsets, hidden beaches and relaxed island life. Each episode is produced as a fully self-contained, station-neutral program for seamless integration into radio schedules worldwide.

About AbSoulute Beach

Music has the power to transport us to another place. For AbSoulute Beach, that place is Ibiza.

Every week, DJ of 69 selects and live-mixes a new 60-minute journey through contemporary Deep House and related electronic sounds. The musical direction ranges from warm and atmospheric grooves to melodic, organic and subtly progressive productions.

With more than 370 episodes produced, AbSoulute Beach is an established, consistently developed radio format with an extensive history and a reliable weekly production schedule.

The Sound

Deep House • Melodic Deep House • Organic House • Balearic House • Progressive Deep House • Downtempo Electronic

The focus is on musical flow rather than individual tracks. Each episode develops naturally across the hour, making the program suitable for daytime listening, sunset programming, weekend schedules, specialist electronic music programming and late-night radio.

About DJ of 69

DJ of 69 is the creator, host and resident DJ of AbSoulute Beach. Driven by a passion for sophisticated electronic music and the unique musical culture associated with Ibiza, he created the show as a platform for carefully selected Deep House music from established artists and emerging producers.

His approach is based on selection, atmosphere and storytelling. Every edition is mixed as a complete journey with its own emotional progression.
