## Biography

DJ PAPA T is a seasoned DJ, producer, and radio personality known for creating unforgettable mixes that blend rhythm, soul, and energy into one seamless ride. As the founder of Happy Ears Happy Face Records and creator of the internationally heard Papa T Mashup Show, he built a loyal audience across multiple countries before evolving the brand into the sharper, more modern DJ PAPA T Drive Time Beatz.

With roots shaped by legendary dance floors like Paradise Garage in New York and Zanzibar in Newark, DJ PAPA T brings authentic House music culture into every set. His sound moves effortlessly through Classic House, Soulful House, Afro House, Latin grooves, Progressive rhythms, Tech vibes, Disco energy, and unexpected crossover moments that keep listeners engaged from start to finish.

Known for long blends, smooth transitions, and a deep understanding of how music should feel, DJ PAPA T creates shows that are more than playlists—they're experiences. Whether it's uplifting energy for the commute, late-night grooves, or dancefloor nostalgia reimaged for today, his mission stays the same:

***Feel over flash. Flow over drops. Let the music do the talking.***

DJ PAPA T continues to grow his brand through radio, streaming platforms, original productions, and a global fanbase that knows one truth:

***House is House.***
