

# PRESS KIT

# JAXX B

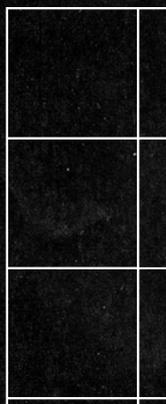

## Jaxx B's sound is renowned for its ghetto and edgy flair

The name behind the emerging Record Label **MindWave Records** which mission's is to create a musical journey that inspires joy, reflection, and pure euphoria. While **uplifting spirits**, united by a community with love for music and transformative soundscapes.

Drawing from his roots, his productions feature dynamic rhythmic percussion, deep basslines, and heavy drums.

Inspired by Sidney Charles, Chris Stussy and Josh Baker Jaxx B has signed music with notable labels including Whoyostro, Black Seven, Rambla Records. His signing to the latter came after winning a remix competition for "Colly Wolly," catching Jacky's attention and earning a spot on the prestigious remix package on 'Jacky & Friends'.
