WORLDWIDE LIVE DJ SESSION

MOGUAI  
PUNX UP THE VOLUME

Born in the Ruhr area, now based in LA & Berlin, MOGUAI made his way from the underground raves of the early '90s to playing the legendary Berlin Love Parade for a crowd of 750,000. He meanwhile does an approximate 120 shows per year on the world's leading stages, festivals included. In light of numerous star-studded collaborations (with the likes of Fatboy Slim, Sebastian Ingrassio (Swedish House Mafia), Tommy Trash, KASKADE, Benni Benassi, Tiësto, Robin Schulz, Cheat Codes and Oliver Heldens) and timeless productions/remixes for Moby, Afrojack, Steve Aoki, Britney Spears, Kelly Clarkson, Underworld, Fischerspooner, DIDO or Beyoncé, MOGUAI has persistently and relentlessly raised the bar for his peers, albeit never losing sight of the dance floor. **Party on!**
