NEVER SEEN, ONLY HEARD

With a style harking back to the lost art of mixing, The Drone Pilots have been exploring atmospheric, deep, and classic progressive genres for more than a decade.

Both producer and DJ, The Drone Pilots' brand of cinematic sounds offers the opening soundtrack for late night parties and downtempo after-hours.

THE DRONE PILOTS MIXTAPE DROPS MONTHLY

Layering textures of floating aural atmospheres and subtle beats on up to 6 decks, this immersive electronic experience spans time, from the genre's classics to the latest progressive sounds.

A refined mix creates a uniquely **Cinematic Progressive** vibe, as heard on their popular monthly mixtapes.
